Let The Appreciation Games Begin!

March 16-20

March 16–20 is **National Preschool Teacher Appreciation Week**, and at BGLC we are going all in with an Olympic-themed celebration to honor our incredible staff! Our teachers and aides pour their hearts into each day – nurturing, guiding, encouraging, and inspiring your little learners. This week is our chance to celebrate the gold-medal difference they make.

Throughout the week, students will join the fun by dressing in special colors and outfits, rocking crazy hair, and completing meaningful activities like Shamrock Shout-Outs and Gold Medal notes to recognize the staff who help them grow.
